Each of the three above has their own wash hand basin and is served by the Blue bathroom q.v.

In the event of an evacuation, there is an alternative (steep) back staircase, available to all residents, in addition to the main wooden staircase.

Outside

We have four acres of formal gardens, orchards, vegetable garden, stables etc. on either level or gently sloping land. All are accessible to wheelchairs over gravel paths.

More extensively there are a further two large fields of rough grazing land, without paths, but accessible to walkers without stiles or fences.

There are plenty of seats and garden furniture. **There is also including** a terrace with summer house.

Additional information

Assistance dogs are welcome.

There are two fridges for medicines if required.

There are four downstairs exits from the house, and smoke alarms are fitted throughout.

There is a hand bell in each bedroom should you require assistance during the night.
